Sermon: The Sling of David
Series: What's In Your Hand
Scripture: 1 Samuel 17:34–40 45–47

Point 1: God _____ You in the Past for the Battles Ahead

- The ancient sling wasn't a toy: it was a deadly weapon used by shepherds and soldiers alike.
- David had trained for years protecting sheep from lions and bears.
- The unseen is preparation: What looks like routine, ordinary work is often God's training ground for the extraordinary moment.

Reflect: What unseen places is God using right now to prepare you for the next step of faith?

Point 2: God Uses Your _____, Not Someone Else's Armor

- Saul's armor didn't fit David: it was heavy and unfamiliar.
- If David had fought in someone else's armor, he might have lost, not because God wasn't able, but because David wasn't being who God made him to be.
- You can't win battles using someone else's tools or someone else's faith.

Reflect: Are you trying to wear someone else's armor instead of trusting the tools God gave you?

Point 3: God Gets the _____

- David declared, "*The battle is the Lord's.*"
- The sling was just the delivery system; the victory belonged to God.
- David fought for God's glory, not his own.

Reflect: Who can I share the Gospel with this week?
